

I did it wrong I
made a mistake
It isat worth it
I did it wrong
I made a mistake
It was worth it
I didn't do it right
I wasn't mad
I didn't do it
wrong I did it

made a mistake
I made a mistake
I made a mistake
It is worth it
I killed him
I killed him
I killed him
I killed him
I made it wrong

His word is
Almighty

Gloria be

I know it's
Wrong

Don't blame it
on Me
